Valdemossa Cycling Tour

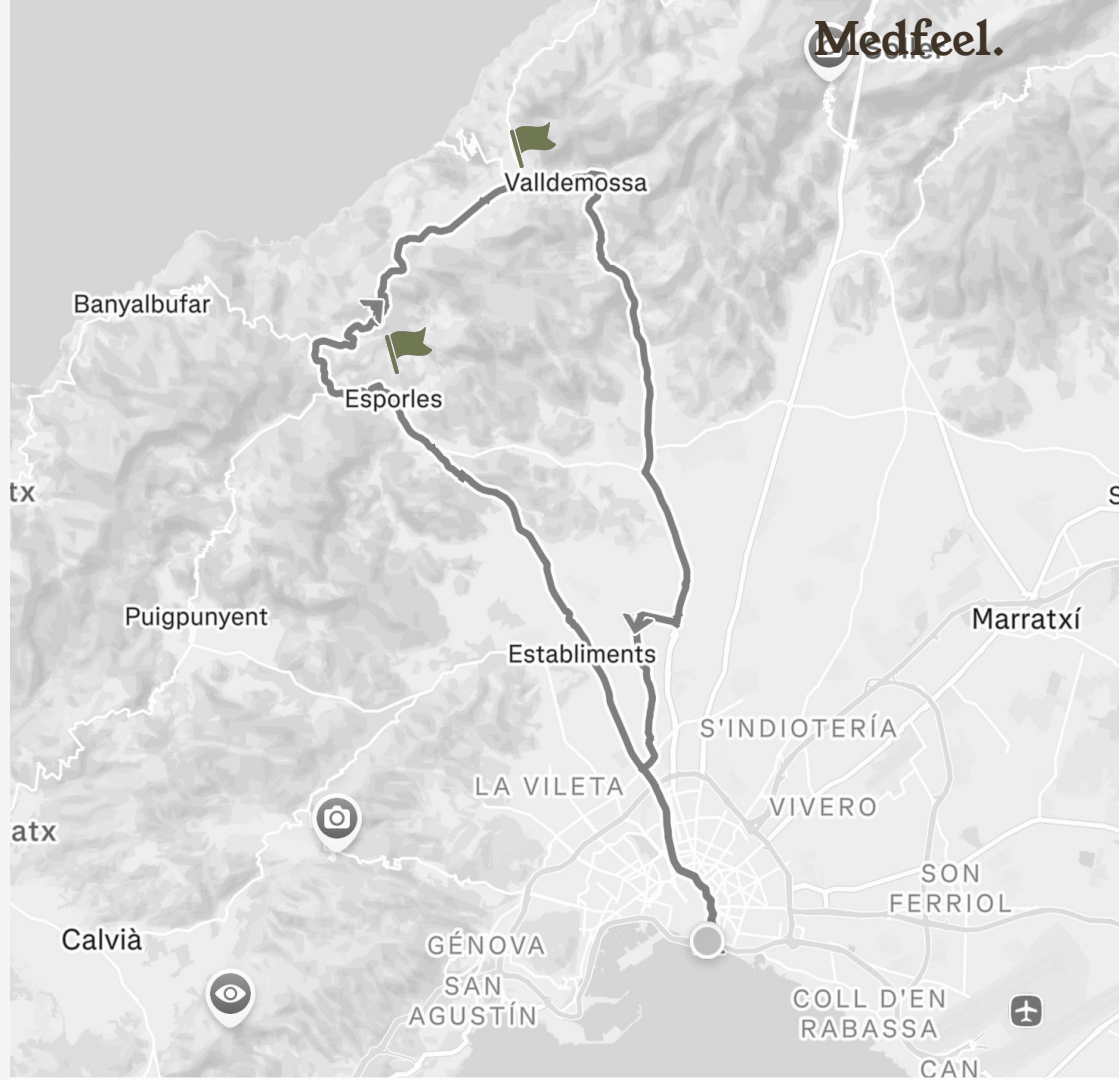

The route:

The bike tour begins at **Meliá Palma Bay**, rolling gently out of the city before climbing toward the quiet mountain village of **Esporles**, where shaded roads and rustic stone houses set a serene tone.

We'll continue toward **Valldemossa**, winding through pine-lined curves before stopping for a traditional **Mallorcan coffee** and **sweet treat** in the village's historic centre.

Our final stretch brings a smooth, scenic descent back toward **Palma**, ending with a relaxed ride along the waterfront to complete a memorable tour.

Distance: 50 km | Elevation: 632 m | Duration: 3-4 h

The bike:

TREK Madone SL6 Gen8 Di2

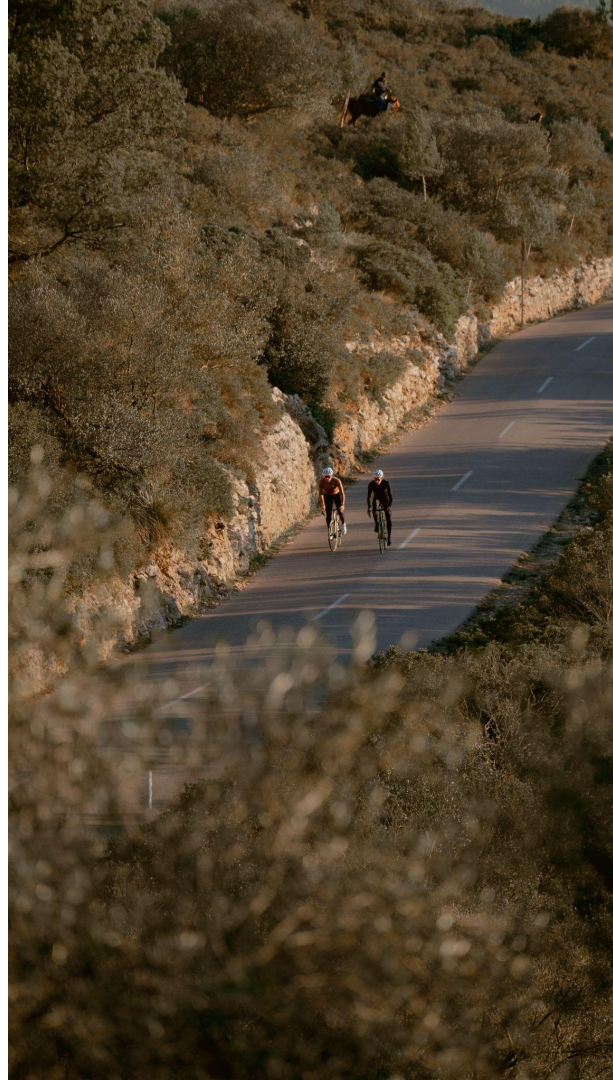

– The bike model can change depending on availability.

Unleash your inner adventurer

Experience the climb from Palma to Valldemossa on a Trek Madone SL6 Gen 8, crafted for pure speed and smooth, efficient riding across Mallorca's iconic roads.

This high-performance bike blends aerodynamic precision with confident handling, making it perfect for both strong cyclists and ambitious riders. Its refined carbon frame, balanced geometry, and responsive feel deliver a fast, stable, and comfortable ascent.

Effortlessly leave the city behind as you glide through gentle ramps, pine-lined curves, and mountain views, enjoying a premium, fluid, and unforgettable road cycling experience.
